BRENT'S TWO CENTS

You know, it might be a good analogy to say that our club is much like an association of picnickers. What I mean is; who doesn't like a picnic? Getting together with friends, enjoying some good food and drink, playing the games you enjoy; yes, very much like a picnic. However, whereas a picnic always seems to bring un8invited guests (ants), our club's picnic is open to all! Still, not everyone around town knows this, and that's a shame. For if they did, you know it's a safe bet that they would come and join us! With that in mind, we want this year to be our biggest "picnic" ever, so for everyone who brings in a new member to our club this month, you will receive a \$100.00 credit to your account! Yes, fellow picnicker, it's a deal as sweet as the apple pie that just dropped onto your lap (no worries, Susie brought napkins)

SEE YOU AT THE CLUB!
